ARDENNERENERGIE
WONNERBAR

In 2021, the ATP asbl opened a new workshop, Hondsburren in Wiltz.

An eco-healthy-socio-responsible workshop © that produces cereal bars.

OUR VARIETIES

ARDENNERENERGIE
Wonnerbar

Its mission?

To implement the factors for a good mental health of its workers.

Its areas of work?

To limit the environmental impact of its activity by privileging regional products or services for the manufacturing of its cereal bars and through the choice of its packaging (100% biocompostable or biodegradable).

Supporting local producers and local marketing.

Develop social interaction and awareness of human interdependence.

Promote training, apprenticeship and return to work for its workers.

The ingredients of our bars are carefully chosen, without additives and guaranteed without pesticides.

The prices charged are also calculated at the fairest price from the suppliers in order to support fair trade.
